SO IT APPEARS YOU'RE QUITE POPULAR☆.
That's my young master all right... Harunobu-sama has a personal magnetism unlike any other!!
RUBRUB
YES.
A DRONE? YOU MEAN ONE OF THOSE THINGS THAT FLIES IN THE SKY?
AH, JUST RECENTLY... I GOT A DRONE.
NIKAIDOU-SAN, IS THERE ANYTHING YOU'VE GOTTEN REALLY INTO RECENTLY?
SFX: BUBU BUBUBUBU

RIGHT AROUND THERE ARE SOME OF THE CONDOS WHERE SOME OF MY FRIENDS LIVE...

ALSO WHEN I KNOW THEY'RE NOT HOME, I'LL USE THE DRONE TO KNOCK OVER THEIR TOOTHPASTE, CUP NOODLES, AND TISSUES.
Brushes where the bristles are starting to fray and such
I'd say that's almost 100% not OK?
UM... IS THAT UM... STRICTLY SPEAKING... LEGAL?

I'LL JUST MAKE A SPARE KEY, AND COME IN THE FRONT DOOR WITH A ROOMBA MYSELF.
I DON'T THINK IT'S A BIG DEAL! IF LEGALLY IT'S QUESTIONABLE AT ALL,
You care so much about your friends, don't you, Harunobu-sama..

Commemorating 3-Gatsu no Lion Volume 8 Going on Sale

a Beautiful Mincemeat Bowl

To all those who picked up 3-Gatsu no Lion Volume 8, thank you so, so much.

Today, I'll be navigating through how to make a simple dish anyone can make!

I am Umiko! ho ho ho...

I'm Akari!

1

In a small frying pan, place the onion, thinly sliced, along with minced meat.

DOBOBO...

Then boil it in the sukiyaki sauce.

2

Once it starts to solidify,

it's all done.

TOTOTOTO...

Once it's warm, add the egg in, beaten.

With the meal cooking right in the sukiyaki sauce, it should maintain all of its flavor! &3 Thanks, sukiyaki sauce!!

Place it on top of the piping-hot rice, and there you have it. Minced meat meal complete.

Try putting Korean seaweed on top, torn up! It's great!

First one to it wins!

All half-price

Closing sale

Minced meat at half price!

And we get our hands on the last minced meat they have in stock that they've priced down to avoid letting it go to waste.

First, we head to the supermarket juuust before it closes!!

As many as you can carry!!

How many?!

Umiko-san, hurry!! You've gotta grab it before somebody else does!!

There!! Look, Akari-san, they have it!!

Minced meat at half price!!

Then defrost it before you boil it!

It's a good idea to buy the minced meat when it's cheap and then put it in the freezer!

'Sukiyaki sauce' sure is convenient!

I really recommend this for guys who aren't that good at cooking.

This works great with croquettes, too!

HO HO HO

I'll work hard on Volume 9, too. I hope you'll all keep reading. From Umino.
